

A schematic map of the Imola race track, shown as a thick grey line. The track starts at the top right with a checkered flag icon and proceeds in a generally westward direction, with several turns. Five locations are marked with white circles: MORDANO (at the start), BUBANO (north of the track), DOZZA (south of the track), IMOLA (south of the track), and CASTEL S. PIETRO (at the end of the track). A grey diagonal line runs from the top left to the bottom right, and a light blue diagonal line runs from the bottom left to the top right.
